<https://orcid.org/0000-0003-3073-8471>

### Education

Ph.D., Political Science, University of Washington, 1995; M.A., Political Science, Rutgers University, 1985; B.A. (Cum Laude), Political Science, University of Oregon, 1984.

### Academic Positions

Associate Dean for Research and Engagement, College of Humanities and Social Sciences (CHASS), North Carolina State University, January 2011-present.

- Co-Chair, NCSU Institutional Review Board (IRB), 2011-2015; Chair, 2015-present
- Member, NCSU Research Operations Council, 2011-present

Professor of Public Policy, School of Public and International Affairs, North Carolina State University, 2007-present. William T. Kretzer Distinguished Professor of Public Policy and Public Affairs, 2007-2017 (term-limited professorship).

Associate Professor, Nelson A. Rockefeller College of Public Affairs, University at Albany, 2001-2007; Assistant Professor, 1995-2001.

- Director, Center for Policy Research, Nelson A. Rockefeller College of Public Affairs and Policy, University at Albany, 2001-2005, 2007.
- Jointly appointed to the Department of Public Administration and Policy and the Department of Political Science.
- Member of the Public Policy Faculty.
- Adjunct member, Department of Biological Sciences and Co-Director, Biodiversity and Conservation Program (with the Department of Biological Sciences).

Program Director, Infrastructure Management and Hazard Response, Division of Civil, Mechanical and Manufacturing Innovation, Directorate for Engineering, National Science Foundation, Arlington, Virginia. One-year appointment from January 2006 to January 2007. (Interagency Personnel Act [IPA] assignment).

### Public Sector and Consulting Experience

Instructor in the Center for Homeland Defense and Security Radiological Emergency Preparedness (REP) Program and the Executive Leaders Program, November and December 2018 and March 2019.

Instructor in Rockefeller College's Professional Development Program (PDP), on Strategic Planning and Management and the Public Policy Process, April and May 1998.

Consultant to the Bureau of Supported Housing Development, New York State Office of Temporary and Disability Insurance, on graphical presentation of program data for the 1998 Annual Report of the Homeless Housing and Assistance Program, March 1998.

Instructor in Rockefeller College's Professional Development Program (PDP), on statistical analysis and outcome evaluation for managers, October 1997.

Instructor for the Department of Social Services, State of New York, on statistical data analysis and presentation and outcome evaluation for managers December 1996; and county welfare commissioners, September 1997.

Assistant Manager of Strategic Planning, Bureau of Strategic Planning, New Jersey Department of Transportation, Trenton, New Jersey, July 1988-August 1990.

Aide to the Governor, Independent Authorities Unit, Office of Governor Thomas H. Kean, Trenton, New Jersey, May 1987-July 1988.

Research Analyst, Office of Policy Analysis, New Jersey Department of Transportation, Trenton, New Jersey, July 1985-May 1987.

### **Current Research Interests**

Policies relating to disasters, risks and hazards, whether natural, or humanly caused, accidental, or intentional (crime and terrorism)

Disaster, emergency, and crisis management in the public and private sectors

Theories of the public policy process, including theories of idea generation, policy change and learning

### **Teaching Interests and Activities**

Disaster and Crisis Policy and Management

Public Policy Theory (PhD)

The Social Science of Disaster

Environmental Politics and Policy

The Policy Process (MPA-level)

Media and Politics

### **PhD Students Advised (Public Administration unless otherwise noted; Active mentoring only; outside committee memberships in other Colleges not listed)**

Kathryn (Katy) Schweible, PhD student, NC State University, Committee Chair.

Kathleen Colville, PhD student, NC State University, Committee Co-Chair

Susan Camilleri, Assistant Professor, Elon University (PhD, 2018)

Megan Warnement, Assistant Professor, Idaho State University (PhD, 2018)

Anne-Lise Velez, Virginia Tech (PhD, 2016)

Sarah DeYoung (Psychology), Assistant Professor, University of Georgia (PhD, 2014) (committee member)

Kristin Taylor, Associate Professor, Wayne State University (PhD, 2012)

Robert Wagner, Executive Vice Provost and Dean of Academic and Instructional Services, Utah State University (PhD, SUNY-Albany, 2007)

Michael Deegan US Army Corps of Engineers (PhD, SUNY-Albany, 2007)

Kimberly Fredericks, Associate Professor, Sage Colleges (PhD, SUNY-Albany, 2007)

### **Publications**

#### **Politics, Policy Processes and Management**

Birkland, Thomas A., and Kathryn L. Schwaeble. 2019 "Agenda Setting and the Policy Process: Focusing Events." *Oxford Research Encyclopedia of Politics*. 26 Jun. 2019.

### Sponsored Projects

- National Science Foundation, "Collaborative Research: Emergency Response in the Arctic (ERA): Investments for Global Capabilities and Local Benefits. September 15, 2018—August 31, 2021. \$204,010 (Collaborative with the University of Alaska-Anchorage and Rensselaer Polytechnic Institute)
- National Science Foundation, "Workshop on Resilient Infrastructure for Sustainable Communities: Arlington, Virginia, 2014." CMMI-1413857. February 1, 2014-January 31, 2015; no-cost extension to January 31, 2016. \$96,834.
- National Science Foundation, "DRRC: Dynamics between Local and Foreign Actors: Influences on Capabilities in Post-Earthquake Rural Haiti and Hurricane Impacted Rural Gulf Coast." SES-1133264; Principal Investigator: Loretta Pyles (SUNY-Albany); Co-Principal Investigator: Thomas Birkland. September 15, 2011 to August 31, 2015. Award Amount: \$399,650. (subaward to NC State: \$36,667).
- National Science Foundation, "Enabling the Next Generation of Hazards and Disaster Researchers." CMMI-0758424, June 1, 2008 to May 31, 2011. Approximately \$248,683.
- Subcontract to University of New Orleans (Funder: Ford Foundation) on "Implementation of the Stafford Act." May 2008 to March 2010, approximately \$39,000.

Member, project team, Statewide Logistics Study, funded by the State of North Carolina (George List, Civil Engineering, PI). My contribution: \$3800.

National Science Foundation, “Physical and Social Infrastructure Impacts and Interdependencies in the December 2004 Tsunami in Southern Thailand.” \$76,819, March 2005-February 2006. Awarded March 2005. Supplement to study Hurricane Katrina awarded October 2005 (approximately \$11,000). No cost extension to 2008.

National Science Foundation. “Exploring Flood Mitigation Policy: A System Dynamics Approach.” CMS 0408994, approx. \$200,000, June 2004-May 2006. Awarded May 2004.

“The Courts and Emergency Management after September 11.” Center for Court Innovation, \$5,000, 2003-2004.

Division of Disability Determination (DDD), various projects, approximately \$140,000, 2003-2005.

National Science Foundation. “Determinants of State-Level Disaster Policy Change, Improvement, and Learning.” CMS-9732233. \$125,112. June 1998-June 2000. Awarded June 1998.

New York State Office of Mental Retardation and Developmental Disabilities. “UCP Personal Outcomes Project.” 1998-2005. \$240,000.

State Office for the Aging (SOFA). “Evaluation of Elderly Nutrition Programs.” Approximately \$75,000. September 1, 1998--April 1, 2000.

Faculty Research Assistance Program (FRAP), University at Albany. “Policy Maker Response to Focusing Events: Influences on Agenda and Policy Change.” April 1996-April 1998, \$3,958.

### **Selected Conference Papers and Invited Presentations**

“Using Lessons to Develop Policy.” Invited presentation, National Homeland Security Consortium, Portland, Oregon, July 2018.

“What Drives the Agenda in Federal Earthquake Policy?” Invited keynote presentation, 11<sup>th</sup> National Conference on Earthquake Engineering, Los Angeles, June 2018.

Roundtable participant, “Talking about ‘Big Events’ in Environmental History,” American Society for Environmental History, Seattle, WA, March 2016.

Co-organizer, “Ambiguity and Crisis,” invited symposium co-sponsored by the Journal *Policy & Politics* and the College of Humanities and Social Sciences, North Carolina State University, February 2016.

“Lesson Drawing from Natural Hazards and Disasters,” invited presentation, Coastal Resilience Center and Department of City and Regional Planning, University of North Carolina at Chapel Hill, January 2016.

Visiting Scholar, Valente Center for Arts and Sciences, Bentley University, Waltham, Mass., October 5-8, 2015.

- “Do People Ever Learn from Disasters? A Revision of the Idea of Event-Driven Policy Change,” public lecture, October 5, 2015
- “The State of the Art in Disaster Studies,” faculty seminar, October 7, 2015

“Bringing Biodiversity into Environmental Policy, or Bringing the Environment to Policy,” invited discussion, 20<sup>th</sup> Anniversary Workshop for the Biodiversity and Conservation M.S. Program, University at Albany, SUNY, Rensselaerville, NY, May 2015.

“What We Talk About When We Talk About Disasters,” invited presentation, Wayne State University, Department of Political Science, Detroit, MI, February 2015.

Warnement, Megan K., Susan E. Camilleri, and Thomas A. Birkland, “Idea Emergence within the Policy Process: Examining the Earthquake Policy Domain,” American Political Science Association, Washington, DC, August 2014.

“Converting Disaster Research into Effective Public Policy,” invited plenary presenter, Disaster Research Center 50<sup>th</sup> Anniversary Workshop, University of Delaware, Newark, DE, May 2014.

“Idea Emergence, Agenda Change, and Learning,” with Susan Camilleri and Megan K. Warnement, Western Political Science Association, Seattle, April 2014.

“Disasters, Learning and Policy Change: Research Opportunities and Challenges,” invited presentation, Department of Political Science, Clemson University, Clemson, SC, March 2014.

“The College of Arts and Sciences Works with the VP for Research,” panelist, Council of Colleges of Arts and Sciences Annual Meeting, Jacksonville, FL, November 2013.

“Policymaking for Resilience: Trade-offs between outcomes and politics of disaster risk reduction,” invited inaugural lecture at the King’s Centre for Integrated Research on Risk and Resilience, King’s College London, October 2013.

Defining, Explaining, and Testing the Role of Focusing Events in Agenda Change: 30 Years of Focusing Event Theory, with Megan K. Warnement, American Political Science Association Annual Meeting, Chicago, Illinois, August 2013 (revised version of the ECPR paper, below).

“Risk and Crisis Management in the Policy Process: Permanent or Evanescent Concerns?” with Megan K. Warnement, First International Conference on Public Policy, Grenoble, France, June 2013.

“Focusing Events in Disasters and Development,” with Megan K. Warnement (presenting author), American Society for Public Administration, New Orleans, Louisiana, March 2013.

“Multiple Streams, Focusing Events and the Policy Process: Testing and Refining the Multiple Streams Approach,” with Megan K. Warnement, ECPR 41st Joint Sessions of Workshops, Workshop on “Decision-Making under Ambiguity and Time Constraints: Assessing the Multiple Streams Framework,” Johannes Gutenberg Universität, Mainz, Germany, March 2013

“Will we ever learn from disasters? Disturbing trends and hopeful signs,” invited presentation, Center for Natural Hazards Research, East Carolina University, Greenville, NC, February 2011. Also presented at the University of North Carolina at Charlotte in March 2011, and again to a visiting Chinese delegation at UNCC, December 2011.

Invited roundtable panelist, “The Political Communication of Threat,” 9th Annual APSA Pre-Conference on Political Communication, Seattle, August 2011.

“Disasters as Focusing Events,” Workshop on Sociolegal Studies of Disaster, Oñati International Institute for the Sociology of Law, Oñati, Spain, July 2011 (also was workshop co-organizer).

Panelist, roundtable on “Theorizing Disaster Recovery,” Natural Hazards Research and Application Workshop, Broomfield, Colorado, July 2011.

“The Deepwater Horizon Oil Spill: Intergovernmental Issues and Long-Term Policy Change,” invited presentation, annual meeting of the Association of American Geographers, Seattle April 2011

“Enhancing Resilience in Transboundary Crises,” invited presentation at conference “Searching for Solidarity: Developing EU capacities for crisis and disaster management,” hosted by the European Policy Centre, Brussels, March 2011.

“Enabling the Next Generation of Hazards and Disasters Researchers: A Recruitment and Mentoring Program for Junior Scholars,” technical paper and poster session. Presented at the National Science Foundation, Engineering Directorate, Civil, Mechanical and Manufacturing Innovation Division grantee’s conference, Atlanta, January 2011.

“Katrina and the Oil Spill: Intergovernmental Issues,” invited presentation, Southern Political Science Association, New Orleans, LA, January 2011.

“Plus ça change: Learning, Forgetting, and the History of U.S. Disaster Policy,” 2010 Policy History Conference, Columbus, OH, June 2010.

“Reconciling Theories of Organizational and Policy Learning,” with Branda Nowell, Kristin O’Donovan, and Deena Bayoumi, Midwest Political Science Association, Chicago, IL, April 2010.

“Disaster Recovery and the Stafford Act: Problems of Policy Design,” topic of roundtable discussion on Balancing Support and Accountability in Disaster Recovery: Lessons from Katrina, American Society for Public Administration, San Jose, CA, April 2010.

Invited Member, Research Work Group, “Resilient American Communities: Progress in Practice and Policy,” Sponsored by University of Pittsburgh Medical Center, Center for Biosecurity, Washington, D.C. December 2009.

Invited workshop participant, Forward Look Project: Security: Advancing a Framework for Enquiries (SAFE). Sponsored by NATO and the European Science Foundation. Paris, France, November 2008.

“Space for the River—Space for People? Social and Policy Connections between Rivers and People.” and “Shocks as Catalysts for Institutional Change: Focusing Events, Agenda Change, and Learning.” (Both invited), Freude am Fluss final conference, Radboud University, Nijmegen, Netherlands, October 2008.

“Learning from Disasters: An Elusive Goal?” and “Actors and Institutions in Risk Reduction and Hazards and Disaster Management.” Keynote presentation and invited lecture, program for the Certificate of Advanced Studies

in *Disaster Risk Reduction: Vulnerabilities and Capacities in the Context of Climate Change*, Ecole Polytechnique Fédérale de Lausanne (EPFL), Switzerland, September 2008.

“Cities, Disasters, and Homeland Security.” American Political Science Association, Boston, Mass. August 2008.

Invited keynote speaker, “The Future of Hazards and Disasters Research in the Homeland Security Era: Threats and Opportunities.” Hazards and Disasters Research Meeting, Natural Hazards Research and Application Workshop, Broomfield, Colorado, July 2008.

Invited panelist, roundtable discussion on “The 2008 Presidential Candidates and the Future of Emergency Management.” Natural Hazards Research and Application Workshop, Broomfield, Colorado, July 2008.

“Guns, Hollywood and Criminal Justice: Defining the School Shootings Problem across Public Arenas.” Invited presentation to the High Seminar in the Institute for Information Technology and Media (ITM), Mid-Sweden University, Sundsvall, Sweden, May 2008.

“Are Lessons Learned Documents Fantasy Documents?” Invited presentation, Conference and Workshop on Learning from Crises and Major Accidents, Sponsored by CRISMART (part of the Swedish National Defense College), the Swedish Rescue Agency, and the Swedish Emergency Management Agency, Stockholm, May 2008.

“The Politics of Land Use Planning in Hazard Mitigation: Barriers to Learning.” Invited presentation, National Earthquake Conference, Seattle, April 2008.

“The Future of Crises and Disasters in the Homeland Security Era.” invited presentation, Stephenson Disaster Management Institute Inaugural Conference, Louisiana State University, Baton Rouge, April 2008.

“Hurricane Katrina, Popular and Elite (mis)Understandings of Intergovernmental Disaster Policy” (invited), Southern Political Science Association, New Orleans, LA, January 2008.

“Politics, Policy, and ICT in Crisis Management.” Workshop on Defining an Agenda for Future Research in Information and Communication Technology, TU Delft, Netherlands, November 2007 (invited speaker).

“Disasters and the Administration of Justice: Myths, Policy, and Management.” invited presentation to the conference on Crisis and Catastrophe in Law and Science, Amherst College, Amherst, Mass., May 2007.

“The Role of Political Science in Disaster Studies: Unrealized Potential.” Midwest Political Science Association, Chicago, April 2007.

“Learning from Disasters: Prospects for Learning and Reform.” invited presentation at the Folke Bernadotte Academy and CRISMART, Sandö, Sweden, March 2007. Follow up presentation at the Swedish National Defense College and CRISMART, Stockholm, March 2007.

Co-author (non-presenting) “Socio-Technological Systems Integration to Support Tsunami Warning and Evacuation.” Richard Little, Thomas A. Birkland, William Wallace and Pannapa Herabat. Hawaii International Conference on System Sciences, University of Hawaii, January 2007.

“Lessons of Disaster.” book presentation sponsored by Georgetown University Library Associates and Georgetown University Press, Washington, D.C., November 2006.

Chair, Panels on Policy Learning and on “Governance in Network Settings.” American Political Science Foundation, Philadelphia, Pa., September 2006.

Panelist, “Asian Tsunami Update Session.” Natural Hazards Research and Application Workshop, Boulder, Colorado, July 2006.

“The National Tsunami Hazards Reduction Program: The Role of Social and Behavioral Science and Research.” presentation at a meeting of the National Tsunami Hazard Reduction Program (National Oceanic and Atmospheric Administration), Jacksonville, Florida, May 2, 2006.

“The Thailand Tsunami and Hurricane Katrina: A Preliminary Assessment of their Impact and Meaning in Global Tourism” with Pannapa Herabat, Richard Little, and William Wallace, Third MaGrann Conference on “The Future of Disasters in Globalizing World.” sponsored by the Department of Geography, Rutgers University, Piscataway, New Jersey, April 2006 (Presented by Richard Little).

“Learning From Disaster: The Process and Politics of Learning from Earthquakes and Other Extreme Events.” (peer reviewed) Eighth National Conference on Earthquake Engineering (8NCEE), part of the 100<sup>th</sup> Anniversary Earthquake Conference, San Francisco, California, April 2006.

“Lessons of Disaster: Policy Change after Catastrophic Events, and Prospects for Resilience.” invited presentation at Managing Extreme Events: Transatlantic Perspectives, University of Pittsburgh, March 2006. Follow-up workshop participant, University of Leiden, Netherlands, June 2007.

Discussant, panel on hazards management, Association for Public Policy Analysis and Management (APPAM), November 2005.

Invited Panelist, “Hurricanes Katrina and Rita: Implications for Public Administration.” National Association of Schools of Public Affairs and Policy (NASPAA), Washington, D.C., October 2005.

American Political Science Association, Annual Meeting, Washington, D.C., September 2005

- Discussant, panel on “Exploring Policy Change and Understanding”
- Second author (with Michael Deegan), “System Models of the Politics of Extreme Natural and Technological Events.”

“Physical and Social Infrastructure Impacts and Interdependencies in the December 2004 Tsunami in Southern Thailand.” with Pannapa Herabat, Richard Little, and William Wallace. National Science Foundation, Human and Social Dynamics Program, Principal Investigators’ Conference, Arlington, Virginia, September 2005.

“Update on Recovery from the South Asia Tsunami.” with Pannapa Herabat, Richard Little, and William Wallace. American Sociological Association, Philadelphia, August 2005.

“Journalism as Policy Analysis: A Theory and Preliminary Findings.” Southern Political Science Association, New Orleans, La., January 2005.

“Environmental Policy in New York State.” with Sean Madden, Jeffrey Mapes, Katy Roe, Amanda Stein, Northeastern Political Science Association, Boston, Mass., November 2004.

“Determinants of State Building Code Effectiveness.” with Alka Sapat, Association for Public Policy Analysis and Management, Atlanta, Ga., October 2004.

“Learning from Disaster: Policy Change after Catastrophic Events—The Case of Aviation Security.” American Political Science Association, Chicago, Ill., September 2004.

“Effective Management after a Terrorist Incident: General Principles of Incident Recovery Learned by the New York Courts in the Wake of September 11.” Terrorism Two Years after September 11—Prevention, Mitigation and Recovery: Homeland Security in Delaware, Wilmington, Del., April 2004.

“Learning and Policy Change after Catastrophic Events.” Midwest Political Science Association, Chicago, April 2004.

American Political Science Association, Annual Meeting, Philadelphia, Pa., August 2003

- Presenter, Short Course on Disasters.
- Discussant, panel on “Studies of Learning Organizations.”
- Chair and panelist, “Disasters, Terror and Managing in the Post-9/11 Era: Challenges to Public Policy and Management.” Presented paper on “Disasters as Dress Rehearsals: Learning and Policy Improvement after Disaster.”

“The September 11 Project: Agenda Setting and Policy Change after the Attacks.” Western Political Science Association annual meeting, Denver, Colo., March 2003.

Invited panelist, “Emergency Preparedness: Highlights from the 9-11 Summit—Courts in the Aftermath.” Conference of Chief Justices, Midyear Meeting, Williamsburg, VA, January 2003.

“Viewing Policy and Policy Analysis through Multiple Lenses.” presentation to the Ecological Economics group, Rensselaer Polytechnic Institute, Troy, NY, December 2002.

Panelist, “Communication during Crisis: The Role of Media during Public Health Emergencies.” University at Albany Center for Public Health Preparedness, School of Public Health, November 2002.

Faculty participant, “The NineEleven Summit: Courts in the Aftermath of September 11.” New York, New York, September 2002.

- Plenary panelist on “Leading the Courts: The First Seven Days.”
- Plenary session moderator, “Emergency Preparedness Plans: An Overview of Policy & Practice Issues.”
- Workshop moderator, “Emergency Preparedness Planning: A Workshop.”

“Defining the Times: Patterns in News Coverage of September 11th.” with Regina Lawrence.” American Political Science Association, Boston, Massachusetts, August 2002.

Moderator, Panel on “Protecting Transportation Assets.” Spring Institute of the Empire State Chapter of the American Society for Public Administration, May 2002.

Moderator, “Security vs. Freedom: Balancing Civil Rights and Public Security in the United States.” Sponsored by the Empire State Chapter, American Society for Public Administration; State Academy of Public Administration; and the Government Law Center, Albany Law School, February 2002.

“(Political and Policy) Decision Making during Extreme Events.” Invited presentation, panel on “Response to Terrorism.” Institute for Health and the Environment, School of Public Health, University at Albany, November 2001.

“Scientific Participation in Policy Making: The Case of Earthquakes and Hurricanes.” Invited presentation, Earth Sciences Joint Colloquium Series, University at Albany and Rensselaer Polytechnic Institute, October 2001.

“The Political and Policy Implications of the September 11 Attacks.” Invited presentation, American Society of Civil Engineers, Houston, Texas. October, 2001.

Discussant, panel on “Applications of Agenda Setting Theory.” American Political Science Association, San Francisco, California, August 2001.

“Shifts in Hazards Management in the 21st Century.” Invited presentation, plenary session, Natural Hazards Research and Application Workshop, Boulder, Colorado, July 2001.

“Ten Years after the Spill: The Social and Political Meaning of the Exxon Valdez.” with Regina G. Lawrence. Invited presentation, presented at “Beyond Crisis Science and Emergency Legislation: What Do We Really Know about Oil Spills.” International Conference on Marine Environmental Challenges, School for Marine Science and Technology, University of Massachusetts at Dartmouth; presented in Plymouth, Mass, February 2001.

Discussant, panel on teaching methods, Northeastern Political Science Association, Albany, New York, April 2000.

“The Challenges of Flood Hazard Policy: Federal Policy Failure or Local Intransigence?” Association for Public Policy Analysis and Management (APPAM), Seattle, Washington, November 2000.

“Ecologically Sensitive Methods of Flood Hazard Mitigation.” invited presentation to the EEB group, Department of Biological Sciences, University at Albany, 2000.

“The Politics of Event Driven Problem Definition: School Violence, Media Frames, and Policy Responses.” with Regina Lawrence, American Political Science Association, Washington, D.C., August 2000.

Presenter on the ERes system, Demonstration Panel: Web-Based Courseware Applications, American Political Science Association, Washington, D.C., August 2000.

“Community Mobilization for Hazard Mitigation: the Political Perspective.” Invited presentation, Social Science Add-On Meeting, Natural Hazards Research and Application Workshop, Boulder, Colorado, July 2000.

Discussant, panel on “The Adoption and Development of Market-Based Regulation.” Midwest Political Science Association, Chicago, April 2000.

“Business Management and the Public Policy Making Process: The External Politics of Business Disaster Management.” With Radhika Nath. Midwest Political Science Association, Chicago, April 2000.

Participant in and co-organizer of working group on “Interdisciplinary Synthesis of Recent Natural and Managed Floods” (William Michener, P.I.), under the auspices of the National Center for Environmental Analysis and Synthesis (NCEAS), University of California at Santa Barbara, 1999-2000.

Birkland, T. A., Carman, J. G., Fredericks, K. A., & Tomjanovich, C. “The Challenges of Multi-Site Program Evaluation in the Public and Non-Profit Sectors.” a poster session at “Nonprofits and Academia Conference: Strategies for Social Change,” State University of New York at Albany, Albany, NY; November 10, 1999.

“Models, Data and Sustainability: Sustainable Urban Development and Geographic Information Systems.” With Renee Sieber. Association for Public Policy Analysis and Management, Washington, D.C., November 1999.

“The Role of State and Local Government in Natural Hazard Mitigation.” Invited roundtable participant, Natural Hazards Research and Applications Workshop, Boulder, Colorado, July 1999.

“The Exxon Valdez and Event-Driven Policy Discourse.” With Regina Lawrence. International Communication Association (refereed conference), San Francisco, California, May 1999. **Chosen as one of the top three papers in the Political Communication section.**

“The Exxon Valdez: Wilderness, Environmental Catastrophe, and the Place of Alaska in the Public Imagination.” with Regina Lawrence. Western Political Science Association, Seattle, March 1999.

“The Role of Focusing Events in Public Policy.” Invited presentation, School of Social Sciences and Interdisciplinary Studies, and the Graduate Program in Public Policy and Administration, California State University, Sacramento, March 1999.

“Business Crisis and Resistance to Policy Change: Organizational Factors” with Radhika Nath. American Political Science Association Annual Meeting, Boston, Mass., August 1998.

Discussant, “Applying New Technology in Graduate Education.” American Political Science Association Annual Meeting, Boston, Mass., August 1998.

“Grantsmanship and Program Planning.” Invited presentation, workshop on Grant Funded Programs sponsored by the New York Division of Criminal Justice Services (DCJS), May 1998.

“Science, Scientists, and the Policy Process.” Invited presentation, School of Public Health, University at Albany, 1998.

“The Exxon Valdez Oil Spill as Focusing Event: Politics, Policy and Symbols.” American Studies Association Annual Meeting, Washington, D.C., May 1997.

Co-author with Scott Barclay, “Law, Policy Making, and the Policy Process: Closing the Gaps.” Midwest Political Science Association Annual Meeting, Chicago, Illinois, April 1997.

“The Political Uses of Events.” American Political Science Association Annual Meeting, San Francisco, California, August 1996.

“Toward a National Hurricane Hazards Reduction Program: Lessons from the Earthquake Experience.” Coastal Society Annual Meeting, Seattle, Washington, July 1996.

“Science, Scientists, and the Policy Process.” Invited presentation, Department of Biological Sciences, University at Albany, February 1996.

“Focusing Events, Agenda Setting, and Change in Policy Communities.” Midwest Political Science Association Annual Meeting, Chicago, Illinois, April 1995.

“Toward a Theory of Focusing Events and Agenda Change.” Western Political Science Association Annual Meeting, Portland, Oregon, February 1995.

“On the Waterfront: Visions of Urban Waterfront Redevelopment.” Western Political Science Association Annual Meeting, Portland, Oregon, February 1995.

“Politics and Policymaking after Large Earthquakes.” Earthquake Engineering Research Institute Annual Meeting, San Francisco, California, April 1995.

“Natural Disasters as Focusing Events: A Theory of Agenda and Policy Change.” Western Political Science Association, Albuquerque, New Mexico, March 1994.

Second author with Peter J. May, “Earthquake Risk Reduction: An Examination of Local Regulatory Efforts.” American Political Science Association, Washington, D.C. August 1993.

“Focusing Events and Policy Change: Oil Spill Policy.” presented at the 17th Annual Hazards Research and Applications Workshop, Boulder, Colorado, July 1992.

“Integrating Strategic Planning and Budgeting: A Case Study at the New Jersey Department of Transportation.” presented with Christine Bishop-Edkins at the meeting of the Transportation Research Board, Washington, D.C., January 1990.

## **Fellowships and Awards**

GlaxoSmithKline Faculty Fellow, Institute for Emerging Issues, North Carolina State University, 2009.

Faculty Fellow in Social Science Research Applied to Hazards and Disasters (sponsored by the National Science Foundation and the Hazard Reduction and Recovery Center at Texas A&M University), 1996-97.

University of Washington Dissertation Grant, 1994.

Federal Emergency Management Agency—Earthquake Engineering Research Institute Graduate Fellowship, 1993-94.

J. Allen Smith Graduate Fellowship, University of Washington, Fall Quarter 1990.

Graduate School Dissertation Fellowship, University of Washington, Winter Quarter 1995.

## **Teaching Experience**

School of Public and International Affairs, North Carolina State University, Raleigh NC:

Undergraduate Course: Introduction to Public Policy.

Graduate Courses: Emergency Policy and Management; Public Policy Seminar (PhD); Policy Process, Research Grant Writing.
